MASSAGE & TREATMENTS

- Balinese Massage (60'/90')** 250K/350K

A traditional Indonesian massage using long, flowing strokes, gentle stretching, and acupressure techniques. Performed with aromatic oils, this treatment focuses on relaxation, improving circulation, and easing muscle tension. The rhythm is smooth and calming, making it perfect for stress relief and full-body relaxation.
Best for: relaxation, light-medium pressure, first-time spa guests
- Lombok Massage (60'/90')** 250K/350K

A signature local massage inspired by traditional Lombok healing techniques, designed to release deep-seated tension and restore body balance. This treatment uses slow, firm pressure combined with targeted thumb work and rhythmic movements to focus on muscle knots and areas of stiffness.
Perfect for those who prefer stronger pressure or need relief from body aches, leaving you feeling lighter, looser, and fully re-energized.
- Hot Stone Massage (90')** 450K

A deeply relaxing massage using smooth, heated stones placed on key points of the body to warm the muscles and enhance relaxation. Combined with flowing massage techniques and aromatic oils, the heat helps to release deep muscle tension, improve circulation, and promote a sense of total calm.
Ideal for muscle stiffness, stress relief, and deep relaxation.
- Stress Recovery (60'/90')** 300K/450K

A targeted back, neck, and shoulder massage to relieve tension, reduce stiffness, and promote deep relaxation.
Ideal for neck stiffness, shoulder tension, and stress relief.
- Surfers Renewal (60'/90')** 300K/450K

LASHES & BROW SERVICES

- **Lash Lift**

400K

A beauty treatment designed to lift and curl your natural lashes, creating a longer, fuller, and more defined look without the need for extensions. This treatment enhances your natural lashes by giving them a natural upward lift, making your eyes appear more open and refreshed.

Perfect for an effortless, low-maintenance beauty routine with long-lasting results.

- **BROWS LAMINATION**

500K

A beauty treatment designed to shape, lift, and set the eyebrow hairs into a fuller, more defined, and neatly styled shape. This treatment smooths and aligns the brow hairs, creating a polished and symmetrical look that enhances your natural facial features.

Perfect for achieving fuller-looking brows with a long-lasting, well-groomed finish.

- **EYELASH EXTENTIONS**

Eyelash extensions are a semi-permanent beauty treatment where individual synthetic lashes are carefully attached to your natural lashes using a special safe adhesive. The goal is to enhance length, thickness, and curl for a more defined and “wake up ready” look without daily mascara.

- **NATURAL EXTENTIONS**

500K

1 extension per natural lash → natural, clean look

- **RUSSIAN VOLUME EYELASH**

600K

extra fluffy, dense, luxury glam

- **NATURAL CAT EYE**

500K

A Natural Cat Eye is an eyelash extension style designed to give a soft, lifted eye shape that subtly elongates your eyes toward the outer corners—like a gentle “cat-eye” effect, but still very natural and wearable.

- **VOLUME CAT EYE**

600K

A Volume Cat Eye is a lash style that combines full volume lashes with a cat-eye mapping shape, creating a lifted, elongated eye effect with a more dramatic and fluffy finish.
